Lesley Alumna to be Honored with the Myrtle Peirce Aulenback Alumni Achievement Award

Lenore Lieberman LC '60 will be honored at Centennial Alumni Weekend for her many years of service and dedication to Lesley. As an Alumni Representative at local college fairs, an enthusiastic Class Correspondent keeping the Class of 1960 in touch, and an instrumental member of Lesley's Alumni Council, Lenore has gone above and beyond in her service to the University.

US Secretary of Education Arne Duncan and Vicki Kennedy honor Lesley graduates at Centennial Commencement

Lesley's Centennial Commencement, attended by over 7,000, marked not only a major milestone for the University, but a celebratory moment for the graduates who donned cap and gown to commemorate the completion of their Lesley experience. In a truly memorable ceremony held May 19th, 2010 at the Boston Convention and Exhibition Center, graduates were honored by President Joseph Moore, the Board of Trustees, faculty, local politicians, honorary degree recipients Vicki Kennedy,

Chinua Achebe and Roz Chast, and Commencement speaker US Secretary of Education Arne Duncan. "I'm absolutely thrilled to be here today to honor the extraordinary institution that Edith Lesley founded and helped mold," Duncan said during his remarks, and he went on to extol Lesley graduates on their contributions to education and public service nationwide.

Lenore Lieberman is pictured above in her yearbook photo from 1960.

Lenore notes that her experience at Lesley and the many opportunities that came with her position on the Alumni Council led to her continued inspiration to volunteer and to give back to the University. "It has always been a pleasure to stay involved with Lesley and to see how the school has grown over the years," she said. "I love to contribute my time to helping Lesley succeed and to introducing new students to the many opportunities Lesley has to offer. I encourage my fellow alumni to stay as involved in their alma mater as possible, and look forward to continuing my work with Lesley in the coming years."

Please join us as we thank Lenore for her support and contributions. If you'd like to honor Lenore in person, she will be honored at the Alumni Luncheon on June 5th. Please visit our [Centennial Alumni Weekend website](#) for details.

Help us close the gap!

Alumni often tell us about what a positive impact their Lesley experience has had on their lives. We love those stories. And so do organizations that make funding and university ranking decisions.

But those organizations never hear your stories. Instead, they judge how our alumni feel about their Lesley experience based on how many of you give back - in any amount. The more donors we have, the more likely we are to receive

funding from important government and private organizations, and the better able we are to ensure that every Lesley student has the opportunities you so enjoyed.

So, if you appreciate your Lesley education and want to ensure another 100 years of success, please show your support with a gift in any amount before June 30th, 2010. Wish Lesley a happy 100th birthday by donating now!
