LESLIE UNIVERSITY

To our donors, alumni and friends,

Welcome to the Lesley University 2010–2011 Donor Report online. The names in the pages that follow represent Lesley graduates, parents and friends who recognize through their philanthropy the University's outstanding mission in service to the greater good.

At Lesley University, all contributions make a real difference and help the thousands of students each year in Cambridge and Boston and across the country who benefit from a Lesley education and who will make a positive impact in the world through their important work in service professions and the arts.

This is an exciting time at Lesley as the University is poised to reach a new level of excellence in our Second Century. We thank you for your generosity and loyal support.

Randy Stabile, Vice President for Advancement
